

How to set up your fundraising page

Thank you for your interest in fundraising for Qhubeka. We hope you're ready to set up your GivenGain activist account which will help track your progress, involve your friends and collect donations.

If you have 2 minutes then follow these steps to set up your fundraising page:

1. Go to: <https://www.givengain.com/join/>
2. Create your account by using your Google, Facebook account your email address. Click create account.
3. Click on "projects"
4. Click on "Create a new project"
5. In the block saying: "Choose a cause" type "Qhubeka"
Press search.
Select "Qhubeka the motive power movement NPC" and then choose a project from the dropdown menu
6. Under set a goal put in the amount you want to raise. (R2 150 funds one bicycle).
7. Under date put the day on which you want your campaign to close. Most fundraisers find it best to leave about 1 week after the event incase of late donations.
8. Then describe your project and why you want to raise funds for Qhubeka.
9. Then click on "create project"
10. Share your fundraising page with your friends and family.

If you have any problems email wendy@qhubeka.org for help.
